FEATURING ROCKIE LYNNE!

# FREE CONCERT!

Rockie Lynne has made countless national media appearances, including performances on "Good Morning America" Summer Concert Series, Fox News Network's "Fox and Friends", feature stories by the Associated Press, People Magazine and the Los Angeles Times and many appearances on the stage of the Grand Ole Opry.

As a veteran of the United States Army (82nd Airborne, Ft. Bragg, NC), Rockie is often requested to perform for patriotic and military events and his original songs are regularly licensed for use in conjunction with veteran and patriotic-themed programming.

He first made a name for himself when he released his critically acclaimed, self-titled debut album on Universal Records. His debut single, "Lipstick", spent an impressive 10 consecutive weeks in the #1 slot on Billboard's Country Singles Sales chart.

Rockie was recently tapped to be the co-host of the home remodeling program called, "I'm Coming Home" on A&E Network. Filming begins in Summer of 2017. His new album, FAITH, is slated for release late spring of this year. [WWW.ROCKIELYNNE.COM](http://WWW.ROCKIELYNNE.COM)
